

Easy Read: What is the NDIS?

A simple guide to the NDIS in plain language.

What is the NDIS?

The NDIS gives money to people with disability.

The money pays for help you need.

It is run by the Australian Government.

Who can get the NDIS?

People under 65.

People with a disability that lasts a long time.

People who live in Australia.

What can the money pay for?

A support worker to help you at home.

Things to help you join your community.

Help to learn new skills.

How do I start?

Call the NDIS on 1800 800 110.

Or call Golden Path on (02) 4300 0000. We can help.
